Ariel,

I WILL NOT SEND THE REPORT TO DAVID.

In terms of my lack of communication:

I called you about 8 times while I was in Vermont with NO answers or return phone calls.

I called you as soon as I arrived back in Florida this morning to arrange to see you today. NO return phone call.

I worked around the clock while in Vermont.

Because you will not answer my questions on the phone – I send you detailed letters asking for direction – 2 this month alone. . NO answers.

If you are unhappy with my work or our communications with each other – we should do something about it.

I am a never ending, stay in the foxhole, results oriented, results getting, attorney who is invaluable to your organization.

I don't complain. I just keep on doing, even though no one addresses my concerns.

Bill

PS: Looking forward to seeing you if you would call me!!

Ariel,

Please see the attached report with 3 different tabs.

This is the information that David is asking me for no later than tomorrow.

I can trim down whatever portion of this report that you feel that we don't need to send to David.

Otherwise would you approve my sending it to David as is?

Bill K
